COLOUR PLATED

Galvanic colours with matt or glossy protection: they make the surface colours intense and resistant to the transformation caused by time.

Our chromium is trivalent with less impact on the environment.

Galvanic colours will have a 20% premium over the chrome price, except F16 and F17 which will have a 35% premium over the chrome price.

VARNISHED

Powder or liquid painting according to the various technical requirements of the article. Varnishes are then fixed in the appropriate ovens to preserve the colour beauty.

The paint finish will have a 10% premium on the price of the chrome.

F18

matt black

F19

matt white

LIVING COLOURS

The finishes "without protection" of PERFORMADESIGN products enhance the nobility of the metal. Colours that change in time, creating the characteristic patinas, spots and colour variations. However these spots and patinas are completely removable using metal surface polishes, accordingly to the final user aesthetic taste.

PVD

The surfaces finished with the PVD treatment are resistant to oxidation, corrosion and scratch.

Unalterable colours and high-resistant surfaces for a refined and excellent finish.

When necessity and desire meet experience and availability everything becomes possible.

The PerformaDesign service called "MEASURE AND COLOR" was created to offer everyone the opportunity to tailor made most of our articles.

20 collections of bathroom complements can be combined in endless variations of measure and color.

A service to go beyond the ordinary and give birth to creation.

For further information please contact our customer service.

There are 36 finishes available for PERFORMADESIGN products: galvanic colours, oxidizable colours, thick varnishes and PVD finishes.

A wide assortment of colours to furnish with taste every bathroom space.

STAINLESS STEEL

Stainless steel, the best steel alloy, making our products suitable for both indoor and outdoor use.

Section A STEEL

PVD

The surfaces finished with the PVD treatment are resistant to oxidation, corrosion and scratch.

Unalterable colours and high-resistant surfaces for a refined and excellent finish.

All PVD's have the same price.

Section C VARNISHED

VARNISHED

Powder or liquid painting according to the various technical requirements of the article.

Varnishes are then fixed in the appropriate ovens to preserve the colour beauty.

The paint finish will have a 10% premium on the price of the chrome.

F18
matt black

F19
matt white

F20

The colours of this page are for indicative purposes only.

Please for your choice make reference to our PerformaDesign finishes sample kit .

COLOUR PLATED

Galvanic colours with matt or glossy protection: they make the surface colours intense and resistant to the transformation caused by time.

Our chromium is trivalent with less impact on the environment.

Galvanic colours will have a 20% premium over the chrome price, except F16 and F17 which will have a 35% premium over the chrome price.

LIVING COLOURS

The finishes "without protection" of PERFORMADESIGN products enhance the nobility of the metal. Colours that change in time, creating the characteristic patinas, spots and colour variations.

However these spots and patinas are completely removable using metal surface polishes, accordingly to the final user aesthetic taste.

The retailer with the transmission of the order proposal, accepts all our sales and delivery conditions, as listed hereafter. The order is binding for the retailer, while PERFORMADESIGN is only subject to its terms after issue of the order confirmation.

Order cancellations or modifications are acceptable only within 2 working days of receiving your order confirmation from PERFORMADESIGN.

Delivery times as stated in the order confirmation are not binding and should be intended as barring any unforeseen circumstances, including but not limited to natural disasters, riots, company or transport strikes, fires, power failure, lack or delayed delivery of raw materials and any other unpredictable events.

In no case, however, can they give rise to reimbursements or compensations. PERFORMADESIGN reserves the right to process the order with partial shipments.

Unless otherwise agreed, the supply of the products is intended ex-works. Consequently, transport and insurance are at the retailer's responsibility, even when it is agreed that delivery shall be taken care of by PERFORMADESIGN, in which case the latter shall act as the retailer's delegate, on the understanding that the goods shall be carried at the retailer's risk. Risks relating to supply shall be transferred to the retailer when the products leave PERFORMADESIGN's premises.

Whatever the agreement is between PERFORMADESIGN and the retailer governing the transport of the products and quality control must be carried out and any eventual faults reported within 8 days of receipt of the goods.

The same 8 days from goods reception are also valid for eventual commercial returns claims.

The retailer is obliged to check incoming goods and present complaints regarding any damages directly to the transporter, who is responsible for them. The retailer is entitled and transporter is obliged to check the delivery and indicate any reservations on the Delivery Document. The wording "WE RESERVE THE RIGHT TO CHECK" is not sufficient.

PERFORMADESIGN guarantees its products and their conformity for 2 years from the date of invoice, within the limits of DPR 222/224 24/05/88 and in compliance with the European Directives in force. Product conformity means the correspondence in terms of quality, quantity and

type to that stated in the agreement and that the products are free from faults which might make them unsuitable for the purpose for which they were created. The product fault warranty is limited to faults in the material or construction which can be traced back to PERFORMADESIGN.

The product warranty shall be applicable at the following conditions:

- The receipt or other proof of purchase must be kept by the buyer/retailer.
- The material must be checked immediately upon receipt. Should the complaint be founded, the product will be replaced and delivered free to retailer's destination. If the complaint is not founded, the reasons will be declared using the quickest and most appropriate means of communication to the retailer.

The warranty shall automatically cease to be valid in the following cases:

- If the user does not carry out the necessary ordinary and special maintenance, as indicated in the installation booklet.
- If the product has been tampered by the user.

Any delay or irregularity in payments shall entitle PERFORMADESIGN to suspend supplies or to terminate the agreements in progress with the retailer.

From the expiry of payment, PERFORMADESIGN is entitled to apply interest on arrears in compliance with the legislation in force. Delayed payments also entitles PERFORMADESIGN to withdraw the warranty for the duration of the arrears.

PERFORMADESIGN reserves the right to make technical and aesthetic changes to its products at any time, without prior notice. PERFORMADESIGN also reserves the right to change the prices or the PRICE LIST without prior notice.

Any dispute shall be under the exclusive jurisdiction of the Court of NOVARA (ITALY).

In compliance with Legislative Decree 196/2003, PERFORMADESIGN hereby declares that the data made available by the retailer shall be processed in observance of the law on the protection of privacy.

All the above sale conditions are considered as accepted in full with transmission of an order to PERFORMADESIGN.

The present Price List is in Rupees (VAT free).

NOTES: PERFORMADESIGN reserves the right to modify and/or remove the ARTICLES included in this PRICE LIST at any time. Data, measurements, photographs are for informational purposes only and are not binding. This PRICE LIST cancels and replaces all previous ones.
